Attached is CJA's story proposal to the accredited Supreme Court reporters of the New York Times, Los Angeles Times, AP, and Washington Post -- for consideration by you, as well.

Also attached are CJA's referred-to correspondence with Professor Lubet, Chief Justice Rehnquist & Associate Justices, and members of Congress. These are all posted on the homepage of CJA's website, www.judgewidth.org -- from which you can access the underlying documents, beginning with CJA's *uninvestigated* impeachment complaint against the Justices arising from their misconduct in connection with a formal application for their disqualification/disclosure pursuant to 28 USC 455, etc.

Thanks.
