Subject: NEWS TIP: US Attorney Loretta Lynch is covering up more than a secret docket --& so is the Senate Judiciary Committee

Dear Mr. Lovelace,

U.S. Attorney Lynch is covering up more than a secret docket. Have any of your sources – such as Sidney Powell – made you aware of the citizen opposition to her confirmation based on her cover-up of high-level public corruption in New York State – and the corruption of the vetting process, both pre-nomination & post-nomination?

It is the subject of a December 17, 2014 letter to the Senate Judiciary Committee and a January 5, 2015 letter to President Obama from our non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA) to which there has been no response from them, or from the letters' other recipients, most importantly U.S. Attorney Lynch, whose response was expressly invited.

These two letters – and the coverletters to U.S. Attorney Lynch – are posted on CJA's website, www.judgewatch.org, accessible *via* the prominent homepage link: "CJA's Citizen Opposition to Senate Confirmation of U.S. Attorney Loretta Lynch as U.S. Attorney General". Here's the direct link: <http://www.judgewatch.org/web-pages/searching-federal/lynch/2014-opposition-lynch-ag.htm>.

This is a MAJOR news story, with the potential to make sweeping good-government reform, in Congress, the Justice Department, and New York State, for starters.

I am available to answer your questions and to be interviewed.

Thank you.
