Dear Elena,

As per your conversation with Kristi, I have read the information that was sent over. What I would suggest is that you directly address the Speaker, since it is under his discretion as to what makes it on the agenda first and foremost. Once on the Oversight, Analysis, and Investigation Committee's agenda, it is then up to the chair which is Assemblyman Hevesi, as to when this would be voted upon in committee.

Thank you again for writing. If you have any further questions or concerns, please do not hesitate to contact me.

Sincerely,
Michael A. Montesano
Member of Assembly
15th District

Dear Kristi,

Following up our phone conversation, moments ago, herewith forwarded is the letter sent last week requesting oversight, analysis & investigation. What is the next step for getting it on the agenda of the Assembly Committee on Oversight, Analysis and Investigation, of which Assemblyman Montesano is ranking member?

Thanks.
