Re: Matter of Daniel A. Eigerman, Esq.
Docket No. 2012.2312

Dear Mr. Cunningham:

The Departmental Disciplinary Committee has completed its investigation of your complaint against the above-referenced attorney. As explained below, the Committee has decided to take no further action.

Specifically, the Committee has completed its secondary review of your complaint against Mr. Eigerman after your request for reconsideration, and has determined that there is insufficient evidence to warrant further investigation. In particular, public records show that the United States Court of Appeals for the Second Circuit declined to consider, on the merits, Mr. Eigerman's arguments on your behalf. Please note that the Committee does not have the jurisdiction to provide relief in connection with fee disputes, or claims that an attorney employed seemingly incorrect legal strategies, without more. You may wish to consult with another attorney regarding the legal matter and legal issues referred to in your complaint.

The Committee arrived at this determination after the case was re-submitted to a member of the Committee, an independent board of lawyers and non-lawyers appointed by the Appellate Division, First Judicial Department. The Committee member concluded that no further investigation or action was warranted.

Very truly yours,

Jorge Dopico
