Following up my brief phone conversation with Page, moments ago, requesting to speak with Assembly Minority Leader Kolb's counsel or chief of staff, here's the link to the Center for Judicial Accountability's citizen-taxpayer actions, laying out the particulars as to what's been going on with respect to the legislative, judiciary, and executive budgets – about which I wish to schedule a meeting with Assembly Minority Leader Kolb: <http://www.judgwatch.org/web-pages/searching-nys/budget/menu-budget-reform.htm>.

There is no reason why this fiscal year need repeat the constitutional, statutory, and rule violations of prior fiscal years – and Assembly Minority Leader Kolb has the ability to make that difference.

Thank you.
