LEGAL EMPLOYMENT:

October 1989
to Present

New York State Attorney General's Office, New York, New York
Assistant Attorney General. Duties include the defense in state and federal courts of New York State and its officials from pleading stage, through trial and appellate practice, including defense of claims for deliberate indifference to medical care, due process and excessive force violations against the New York State Department of Correctional Services; excessive force against the New York State Police and court officers; Title VII against various state agencies and their officials. Defense of the constitutionality of New York statutes and Article 78s, primarily in the areas of housing and civil service. Some supervisory responsibilities.

September 1987
to October 1989

Associate. Duties included representation of major insurance company in commercial litigation in state and federal courts; preparation of complaints, default judgments and motions, including memoranda of law and oral argument; taking depositions; attendance at judicial conferences; oversight of litigation in other federal districts and states; extensive settlement negotiations with pro se litigants and opposing counsel.

September 1986
to August 1987

Hon. Alexander Menza, Superior Court, Union County, NJ
Judicial Clerkship. Duties included research and preparation of memoranda on all aspects of civil law as needed for trial or the motion calendar; drafting opinions and mediating disputes between litigants in Special Civil Part (New Jersey Small Claims Court).

June 1985 to
June 1986

Law Clerk. Duties included representation of clients at administrative hearings for Social Security Disability Benefits, preparation of memoranda of law in the areas of First and Sixth Amendment, personal injury, medical malpractice and state and federal criminal statutes.

June 1984 to
May 1985

Law Clerk. Assisted Vice President and head of the Legal Department. Duties included contract drafting, preparation of memoranda of law, research of state insurance law, primarily licensing requirements for authorization to issue variable products and tax deferred annuities with concomitant research of Federal securities laws.

March 1976 to
September 1983

Paralegal. Duties included initial intake, general advocacy, representation of clients at administrative hearings, legal research, community legal education, rape victim counseling and staff training. Co-founded a battered women's crisis center and referral service.
