Subject: foil requests

Dear Ms. Sassower:

Please be advised that we are processing your FOIL requests received today. We should be able to respond to your request completely within the next few weeks.

I provided you with a copy of the title standard for Appellate Court Attorney. I believe that the standards and the collective bargaining agreements are only available on our internal site, not on the public website for the court system. However, if you provide me with the titles and agreements that you would like to receive, I can forward copies to you. In addition, you may be able to visit the public website for a particular union, at which site the agreement might be accessible publicly.

Very truly yours,
Shawn Kerby
Assistant Deputy Counsel
