Dear Ms. Frisch:

Confirming our phone conversation this morning, please furnish us with the names of all judicial appointees named by the Westchester County Surrogate Judge, the case name and index number in which the appointment was made, and the fees awarded, commencing January 1, 1991 to the latest date available.

We understand that there will be a two to three week delay in our receiving the above reports and appreciate your attention and courtesy in making this information available to us.

Very truly yours,
