Subject: your message

Ms. Sassower, I just received your voicemail message and Eric Lane forwarded your e-mail. The Brennan Center has not issued any report on New York State legislative rules since 2008, and we have not compiled any analysis of Assembly operating rules since that time. As with any legislative chamber, I would imagine that the Assembly's rules can be changed at anytime with a majority vote, but I have not looked into this question as it pertains to the Assembly in any depth, and we do not have the bandwidth to do so in the near future.

I hope this answers your questions.

Best regards,
Larry
