Dear Mr. Levine:

Because of Common Cause's continuing interest in our work, we enclose copies of recent correspondence--including our letter to the American Bar Association, dated today. The June 22nd piece that appeared in New York magazine is part of that letter.

Since we are completely unfunded, we would be extremely grateful for the return of our critique and compendium of exhibits. Feel free, however, to duplicate as many copies as you wish--and to make them available to others sharing a concern for the quality of our federal bench.

Yours for a quality judiciary,

ELENA RUTH SASSOWER
Coordinator, Ninth Judicial Committee
