Dear Ms. Sassower:

At your request, I am enclosing a copy of Citizens for Independent Courts' *Justice Held Hostage: Politics and Selecting Federal Judges*, the report of the task force on the selection of federal judges. The report is also available on Citizens for Independent Courts' website at <http://www.faircourts.org/news>.

This report is first of our four task force reports to be published this fall under the title *Uncertain Justice: Politics and America's Courts*. As you have requested copies of all four task force reports, we will send you a copy of the full volume once it is available.

Thank you for your interest in our work.

Very truly yours,

Laura Compton
Program Assistant
