Dear Michael,

What a pleasure – and privilege – to find an organization willing to examine primary-source, documentary evidence & engage in dialogue! I am certain we will accomplish much, together for the benefit of all who hold our Constitution & rule of law dear.

By the way, you may be interested in the letters I have sent today to the offices of Senators McCain & Obama – and my June 17th letter to Columbia Law School Dean Schizer. These are all posted on our website, accessible via “Judicial Discipline-Federal”.

Regards,

Elena
