Hi, Elena- How are you doing?

Thanks for your recent message.

I preferred replying earlier. However, this month I have set aside for vacation time off with my wife and taking care of numerous matters that were not attended to during my multiweek federal trial that will be retried after a retrial.

Therefore, I prefer e-mail this month to phone discussions, and hope you won't mind replying to me, briefly, by e-mail.

My secretary called the DC Court of Appeals recently, and was told that your brief was filed in November and that the appellee's brief is due this month (Dec. 22, I believe). Unfortunately, while I can set aside time to file an amicus brief as early as January, I cannot do so this month.

I hope all is well with you. Thanks. Jon
