Dear Ms. Sassower:

We received your telephone message requesting that the ACLU of the National Capital Area submit an amicus brief in support of a petition you are submitting to the U.S. Supreme Court. You said you will be seeking review of the decision of the D.C. Court of Appeals last December affirming your criminal conviction and sentence in connection with your speaking out at a Senate hearing some years ago.

We can't consider your request. By direction of the national organization, no ACLU affiliate may submit an amicus brief concerning any cert. petition to the Court.

We wish you good luck with your petition. If yours is accepted, you may contact the ACLU again to ask if we would at that point consider submitting a supporting brief.

Sincerely,

A handwritten signature in black ink that reads "Fritz Mulhauser". The signature is written in a cursive, somewhat stylized script.
