Attached is my already faxed memo to you of today's date for amicus curiae support at the U.S. Supreme Court. For your convenience, I have annexed to it Point III of my appellant's brief as to the unconstitutionality of the 'disruption of Congress' statute, *as written and as applied*. Separately attached herewith is my draft cert petition.

All are posted on CJA's website, www.judgewidth.org - most conveniently accessible *via* the top panel "Latest News"

I look forward to your responses - hopefully in the affirmative.

Thank you.
