House Judiciary Committee
Subcommittee on Intellectual Property
and Judicial Administration

ATT: Veronica Eligan, secretary

RE: Formal Complaint against federal judges of the
Second Circuit, filed 6/9/93

Report of the National Commission on Judicial
Discipline and Removal

Proposed Long-Range Plan of the Judicial
Conference

Dear Ms. Eligan:

Per our telephone conversation today and your request, I am faxing herewith copies of our December 2, 1994 and December 27, 1994 letters to Hayden Gregory, to which we have received no response.

You told me that Mr. Gregory is no longer counsel to the Subcommittee, having left at the start of the 104th Congress last month.

I again draw your attention to the fact that our December 2nd letter expressed concern as to that possibility, stating:

"We assume that with the upcoming changes in the chairmanship and members of the House Judiciary Committee, there will be other personnel changes as well. Therefore, we request that you ensure that this correspondence is answered while those familiar with this matter are still on staff."

It also requested that our July 9, 1993 formal complaint against federal judges in the Second Circuit and the corroborative documentation we supplied in connection therewith:

"be placed in an 'active file' so that it can be readily accessed when we contact the committee at the beginning of the next session". (emphasis in the original)

Ms. Eligan

We would be most grateful for your assistance in ensuring that this letter--and the enclosed correspondence--are brought to the attention of Tom Mooney, the Subcommittee's successor counsel, together with the file in this matter. We would appreciate a call from him at his first opportunity.

Should you have any questions or difficulty, do not hesitate to call.

Thank you.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator
