Dear Mike:

I have been contacted by Doris and Elena Sassower, who ask that an investigation of the actions of the District Court for the Southern District of New York, the Court of Appeals for the Second Circuit and the Supreme Court of the United States. Enclosed please find the extensive record of Sassower v. Field et al. I have briefly discussed the matter with her and at her request am forwarding the material to you for your consideration.

The Sassowers feel that the actions of the courts were based on prejudice against them. They also feel that the decisions of the courts were unsupported by any factual or legal basis.

Thank you for your consideration.

Sincerely,

Edward O'Connell
