Hi Elena,

Apologize that Zephyr didn't get back to you. I passed on your email to our campaign manager and I think he will write you,

Best Tim

Dear Candidate Wu,

Thank you for offering yourself as Zephyr Teachout's running mate. However, she plainly needs your assistance – as she had not responded to my below e-mails, sent to her on June 3rd and June 26th at three separate e-mail addresses. My voice mail messages for her have also not been returned.

As you also are a law professor -- with a law degree from Harvard -- it is a simple matter for you to recognize the significance of the three lawsuits to which my below e-mails first alerted Candidate Teachout more than six weeks ago.

May I suggest you start with the proposed verified complaint in support of my April 23rd order to show cause to intervene in the Legislature's declaratory judgment action vs the Commission to Investigate Public Corruption. The link, previously furnished, is: <http://www.judgewatch.org/web-pages/searching-nys/commission-to-investigate-public-corruption/holding-to-account/intervention-declaratory-judgment.htm>. The case is LIVE!

I look forward to hearing from you – and Candidate Teachout – as soon as possible.

Thank you.

Dear Professor Teachout,

Looking forward to speaking with you about the game-changing political and academic significance of CJA's below three litigations & corruption complaints. Have you, as yet, examined the links?
