Dear Marc,

I will look forward to speaking with you tomorrow – or whenever you are able to call.

Meantime, may I suggest that you view the VIDEO of my testimony before the Legislature at its January 30, 2017 budget hearing on “local state officials/general government”, as I spoke, extensively, about the Legislature’s failure to oversee district attorney performance and identified that the district attorneys had ALL been “sitting on” the evidence that I had furnished them that the two commission reports that had raised judicial salaries – and, as a consequence, D.A. salaries (excepting those of the five NYC D.A.s) -- were false instruments, violative of a succession of penal law. D.A. Vance is among those district attorneys.

CJA’s webpage for the VIDEO is here: <http://www.judgewatch.org/web-pages/searching-nys/2017-legislature/budget-hearings.htm> – and it also furnishes the VIDEOS of my testimony before the Legislature at its February 6, 2013 and January 31, 2017 “public protection” budget hearings, ALSO germane. The October 14, 2016 disciplinary complaint I filed against D.A. Vance for his collusion in the larcenous judicial and D.A. pay raises is accessible from the webpage I created for the 2017 district attorney races – most of which are uncontested. It is here: <http://www.judgewatch.org/web-pages/elections/2017/da-races/district-attorney-races.htm>.

There is SO much more. But, this is enough to get you started...

Regards.

Elena
