While waiting for your response – and that of your fellow Journal News/Lohud editorial board members -- to my below time-sensitive October 26th e-mail and its substantiating e-mail chain and above attachments, I could not help but be astounded by Jonathan Bandler's October 27th Journal News/Lohud article "*George Latimer's car registration suspended over unpaid parking tickets*", whose coup de grace is its italicized postscript: "Content for this article came from a conversation between lohud.com/Journal News Engagement Editor Gary Stern and George Latimer."

Wow! Am I to understand that Engagement Editor/Editorial Board Leader Stern thinks Senator Latimer's suspended car registration and parking tickets are more important to question him about than my August 10th OPEN LETTER and my October 23rd e-mail based thereon – both of which I furnished to Senator Latimer so that he could be prepared for questioning.

What is your view? And is it possible that among the motivations for Senator Latimer's 4-1/2-year collusion in judicial pay raises he knew to be statutorily-violative, fraudulent, and unconstitutional has been his extramarital affair with one of its judicial beneficiaries -- New Rochelle City Court Judge Susan Kettner – an affair reported by other press, but not, I believe, by Journal News/Lohud.

By the way, I have just today seen the terrific October 23rd feature: "*Dissecting Mayor DeBlasio's Record As He Seeks Re-Election*" by Citizen Union's Gotham Gazette and its "election coverage partners" – WNYC Radio & City Limits? Here it is: http://www.gothamgazette.com/city/7221-dissecting-mayor-de-blasio-s-record-as-he-seeks-reelection?mc_cid=43b4a67425&mc_eid=23eaa7b7fd. Among its noteworthy dissections, an October 23rd expose entitled "*Mayor DeBlasio's Record on Ethics and Transparency?*", with several exposes, "coming soon", such as "*Budgeting and Fiscal Health*".

As Journal New/Lohud teamed up with FIOs1 News/RNN for the October 24th debate, aren't they your "election coverage partners"?

By copy of this e-mail to RNN's President of News & Programming Richard French – for whom I left a phone message on October 25th – and to FIOS1 News Senior Political Correspondent Andrew Whitman, to whom my October 25th call was transferred and who told me that he only sufficed to "peruse" my August 10th OPEN LETTER prior to the October 24th debate, but that he would read it by noon the next day, October 26th – I ask that they advise when RNN and FIOS1 News will be reporting on Senator Latimer's record, in office, with respect to ethics, transparency, the budget, etc., which my August 10th
