

CJA's August 13, 2017 e-mail message sent at 8:27 pm from the contact page of CityLab: <https://www.citylab.com/> for Lawrence Lanahan

Hello. Would you be kind enough to forward this e-mail to Lawrence Lanahan, whose powerful and important article "The Most Powerful Man in Westchester?" (Westchester Magazine, October 10, 2008) about the chair of the Westchester county committee of the New York State Independence Party, I have posted on the website of the Westchester-based non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), of which I am the co-founder & director. The context is the race for Westchester county executive -- where four third-parties, including the NYS Independence Party under that same Westchester chair, have given over their lines to a state senator who has colluded in the systemic corruption that infests and disables New York State government, involving directly New York Governor Andrew Cuomo and a who's who of other high-profile state officers, in addition to rank-and-file. My posted August 10, 2017 OPEN LETTER: <http://www.judgewatch.org/web-pages/elections/ending-the-road-latimer.htm>, outlines the situation -- one requiring a press that will report what is going on. If this story is not one that Mr. Lanahan can pursue, surely he has civic-minded colleagues -- and I would be grateful for his assistance in finding a journalist who can realize the good-government potential of this major story about New York state government and politics. Thank you. Elena Sassower 914-421-1200
