### TO: Joseph Holland/Potential Republican Gubernatorial Candidate

Thank you for inviting me to contact you, in response to my linked-in message to you, sent at 6:50 this morning, which had stated:

"I have read that you might be considering the Republican nomination for governor. Bravo. All New Yorkers -- not only Republicans -- need someone of your impressive, inspiring background to lead us forward. I can help you WIN -- & WITHOUT MONEY. See: [www.judgewatch.org](http://www.judgewatch.org) -- 1st center link."

As the linked-in message feature sharply limits the length of the message, I could not furnish you with the article I had read, entitled "*Former Pataki lieutenant eyes governor's race*": [http://www.lockportjournal.com/news/local\\_news/former-pataki-lieutenant-eyes-governor-s-race/article\\_04fae16e-d347-52ee-a3be-97717d577695.html](http://www.lockportjournal.com/news/local_news/former-pataki-lieutenant-eyes-governor-s-race/article_04fae16e-d347-52ee-a3be-97717d577695.html).

It is unclear from the article whether you have come forward, on your own initiative, as a candidate -- or whether you have been solicited by NYS Republican Party Chair Cox or NYS Conservative Party Chair Long -- or from other Republican and Conservative county leaders -- but, if so -- and in any event -- you should be aware of my e-mails alerting them that WINNING against Governor Cuomo is EASY and requires NO money. The reason? Because Cuomo's corruption in office, involving the \$160 billion state budget and fraudulent judicial and district attorney salary increases that have stolen \$300 million from New York taxpayers since April 1, 2012 is the subject of *prima facie*, rock-solid EVIDENCE embodied in a citizen-taxpayer action that brings down Cuomo -- as likewise his co-defendants, Attorney General Schneiderman, Comptroller DiNapoli, and legislative incumbents, including announced Republican gubernatorial candidate Assembly Minority Leader Kolb and potential Republican gubernatorial candidate Deputy Senate Majority Leader DeFrancisco. As you are a Harvard-trained lawyer, you will have no difficulty in verifying the significance of the EVIDENCE for yourself -- ALL of it posted on the website of our non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), [www.judgewatch.org](http://www.judgewatch.org) -- including from the "1st center link" to which my message to you referred, whose title is "OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office -- WITH EVIDENCE!". The direct link to the menu page it brings up is here: <http://www.judgewatch.org/web-pages/elections/menu-ending-the-road.htm>.

As the article about your prospective candidacy indicates that you will be speaking at the Conservative Party's Political Action Conference that begins tomorrow, below is my self-explanatory January 25<sup>th</sup> e-mail to NYS budget expert and scholar E.J. McMahon, with a copy to Reclaim New York Executive Director Brendan Muir, both of whom will also be speaking at the Conference. It describes and furnishes an e-mail chain that includes my January 8<sup>th</sup> e-mail to Republican Party Chair Cox, *et al.* and my January 11<sup>th</sup> e-mail to Conservative Party Chair Long, *et al.*

I am available to assist you, to the max in providing the galvanizing leadership and "whistle-blowing" integrity that will rightfully win for you the governorship -- and an electoral sweep for fellow ANTI-CORRUPTION Republican and Conservative candidates.

Thank you.

**Subject: Alerting Conservative & Republican Party Members -- & the Mercers -- of how EASY it is to achieve Conservative & Republican WINS for Governor, Attorney General, Comptroller & Legislative Seats -- NO MONEY NEEDED!**

**TO: E.J. McMahon, Founder/Research Director of the Empire Center for Public Policy**

This follows up our brief phone conversation this morning, for which I thank you, occasioned by your featured attendance at the upcoming New York State Conservative Party's 51<sup>st</sup> Annual Political Action Conference -- announcement of which states: "as you know, New York State elects a Governor,...Attorney General, NYS Comptroller,...and the full legislature this year."

Below is the e-mail chain to which I referred in speaking with you. I ask that you forward it to the Mercers, from whom the Republican and Conservative parties will doubtlessly be expecting substantial funding for the 2018 elections. As detailed, NO MONEY IS NEEDED TO DEFEAT INCUMBENT STATEWIDE DEMOCRATS -- CUOMO, SCHNEIDERMAN, and DiNAPOLI -- OR INCUMBENT DEMOCRATIC STATE LEGISLATORS -- because ALL must be indicted for "grand larceny of the public fisc" and other corruption. The EVIDENCE is laid out by CJA's unfolding citizen-taxpayer action, to which they are ALL defendants. The four below e-mails that comprise the chain, particularize this. They are:

(1) my January 11, 2018 e-mail to Conservative Party Chair Michael Long and county chairs entitled **"ALERT to NYS Conservative Party: You can EASILY defeat Cuomo, Schneiderman, DiNapoli -- & other incumbents -- & AT NO COST";**

(2) my January 8, 2018 e-mail to Republican Party Ed Chair Cox, separately sent to Republican party staffers and to county chairs, entitled **"Alert to NYS Republican Party: YOU CAN EASILY DEFEAT CUOMO, et al. -- & AT NO COST";**

(3) my September 20, 2017 e-mail to then Republican gubernatorial contender Harry Wilson entitled **"Winning the Governor's Race -- & Bringing Constitutionally-Functioning, Fiscally-Accountable Government to New York State";** and

(4) my August 10, 2017 e-mail, sent to New York's eight recognized political parties, entitled **" OPEN LETTER: The NYS Reform Part of Curtis Sliwa MUST Rescind its Endorsement of, & Party Line to, Senator Geo. Latimer for**

**Westchester Co. Executive & the Other Parties Must Follow Suit -- Unless They Deem Corruption in Office a Qualification".**

The referred-to OPEN LETTER is attached above – and it is a MUST-READ, especially as the Mercers gave over one million dollars to Westchester County Executive Astorino’s unsuccessful Republican and Conservative party candidacy for re-election – which Astorino and the Republican and Conservative parties could have won, *without money*, by simple whistle-blowing. Their failure to whistle-blow, combined with the flagrant election-rigging of the press, which suppressed ANY report of the August 10, 2017 OPEN LETTER, resulted in Latimer’s win last November.

The “fake news” that procured Latimer’s victory – involving The New York Times and Gannett, among many others – will doubtless be of great interest to the Mercers. The EVIDENCE, which must be seen to be believed, is posted on CJA’s website, here:

<http://www.judgewatch.org/web-pages/elections/2017/westchester/press-outreach.htm>.

Elections are the voters opportunity to “drain the swamp”. That – and the mantra of “fake news” – are what propelled Donald Trump’s 2016 electoral win as president. If New York’s Republican and Conservative parties are willing to “drain the swamp” of their *own* corrupt incumbent state legislators – all also defendants in the citizen-taxpayer action – they can take the three big statewide offices. And making this even more apparent are the webpages I created pertaining to Governor Cuomo, Attorney General Schneiderman, and Comptroller DiNapoli – each page also posting the countless corruption complaints against them that criminal and disciplinary authorities have been “sitting on”, for years:

CUOMO: <http://www.judgewatch.org/web-pages/elections/2018/cuomo.htm>

SCHNEIDERMAN: <http://www.judgewatch.org/web-pages/elections/2018/schneiderman.htm>

DINAPOLI: <http://www.judgewatch.org/web-pages/elections/2018/dinapoli.htm> .

Republican and Conservative party leaders must not forego ousting corrupt Democratic statewide incumbents simply to “protect” corrupt and complicit Republican and Conservative legislative incumbents -- including announced Republican gubernatorial candidate Assembly Minority Leader Kolb and potential Republican gubernatorial candidate Deputy Senate Majority Leader DeFrancisco. If they would do their duty to “whistle-blow” and put up a slate of strong ANTI-CORRUPTION candidates, committed to constitutional governance and fiscal accountability, the Republican and Conservative parties could capture the top statewide elective offices, which they presently have NO HOPE to win – and win big in the Legislature, as well.

I am sending a copy of this e-mail to Brendan Muir, Executive Director of Reclaim New York, also participating at the Conservative Party’s Political Action Conference – for whom I left a voice mail message this morning, as yet unreturned. As you know, the Mercers are chief founders, directors, and funders of Reclaim New York.

A short time ago, I tried to directly reach the Mercers, *via* Renaissance Technologies (212-829-4460), but was unsuccessful in getting any contact e-mail or phone number for them. Kelly, who answered the phone, took a message from me. I stated to her that I had spoken to you

requesting your assistance in sending this e-mail to the Mercers on my behalf, as likewise that I had contacted Mr. Muir, also for that purpose.

Please feel free to call me, anytime. As you are this state's foremost scholar of the budget, I so earnestly wish your expert opinion with respect to the citizen-taxpayer action – whose most devastating pleading with respect to the flagrant unconstitutionality of the state budget is its last: plaintiffs' March 29, 2017 verified supplemental complaint. For your convenience, the direct link is here: <http://www.judgewatch.org/web-pages/searching-nys/budget/citizen-taxpayer-action/2nd/9-2-16-osc-complaint/3-29-17-osc.htm>.

Thank you.

**Subject: ALERT to NYS Conservative Party: You can EASILY defeat Cuomo, Schneiderman, DiNapoli -- & other incumbents -- & AT NO COST**

**TO: NEW YORK STATE CONSERVATIVE PARTY CHAIR MICHAEL LONG & EXECUTIVE COMMITTEE & COUNTY CHAIRS --**

Reference is made to Ken Lovett's January 8, 2018 Daily News article "*GOP exodus from gov race worries Conservative party boss*": <http://www.nydailynews.com/news/politics/lovett-gop-exodus-gov-race-worries-conservative-party-boss-article-1.3743253>.

Let me help you in fielding **STRONG** candidates for governor, attorney general, and comptroller -- as you appear unaware that the New York State Conservative Party, with or without the New York State Republican Party, can **EASILY** defeat incumbents Cuomo, Schneiderman, and DiNapoli and at **NO COST**. All it takes is a scandal -- and they are GONE from the political map.

Below is my January 8, 2018 e-mail to State Republican Party Chair Ed Cox, furnishing him with my September 20, 2017 e-mail to Harry Wilson about the scandal that, **IN ONE FELL SWOOP**, and without expenditure of campaign monies, brings down Cuomo, Schneiderman, and DiNapoli -- as likewise declared GOP gubernatorial candidate Kolb, undecided GOP gubernatorial candidate DeFrancisco, and, in non-partisan fashion, a who's who of legislative incumbents.

Notwithstanding its time-sensitive nature, I have not yet received any response from Chairman Cox -- nor from other Republican Party executive officers, staff, or county chair to whom I forwarded the January 8<sup>th</sup> e-mail shortly after sending it to Chairman Cox. Nor have I yet received any response from Mr. Wilson, to whom I simultaneously sent the January 8<sup>th</sup> e-mail.

What did Mr. Wilson do to verify what my below September 20, 2017 e-mail to him recited and what its above-attached August 10, 2017 OPEN LETTER further particularized, whose EVIDENTIARY PROOF is readily-accessible from the webpage I had created: <http://www.judgewatch.org/web-pages/elections/2017/8-10-17-open-ltr.htm> -- and whose starting point, identified by the OPEN LETTER, was the VIDEO of my February 6, 2013 testimony (before then Senate Finance Committee Chair DeFrancisco) about the judicial and district attorney pay raises whose larceny, at that time, was approximately \$30 million -- and which is today \$300 million and currently growing by \$60 million each year: <http://www.judgewatch.org/web-pages/elections/2017/feb-6-2013-testimony-evidence.htm>.

Did he not share the results with Chairman Cox so that the Republican Party could IMMEDIATELY get on track to recruit STRONG CANDIDATES for the three statewide offices, whose incumbents would have to be indicted for “grand larceny of the public fisc” and other corruption – and likewise to IMMEDIATELY recruit STRONG CANDIDATES for ALL the legislative and other offices – whose incumbents would go down in the same scandal... Did Mr. Wilson – and/or Chairman Cox -- not share any of this with you?

I am available to assist the Conservative Party, to the max, in leading the way to achieving competitive elections in 2018 -- and in “Bringing Constitutionally-Functioning, Fiscally-Accountable Government to New York State”.

Thank you.

Subject: Alert to NYS Republican Party: YOU CAN EASILY DEFEAT CUOMO, et al. -- & AT NO COST

TO: NYS REPUBLICAN PARTY CHAIRMAN ED COX --

This morning's Politico bulletin began as follows:

“The words we heard from Republican leaders, operatives and apparatchiks this weekend were stark: ‘panic, ‘desperate,’ and ‘depressing.’ NYGOP Chairman Ed Cox will convene his chiefs at the Fort Orange Club this morning to hear out the three remaining men seeking to challenge Gov. Andrew Cuomo and lead the 2018 ticket and, perhaps, brainstorm ideas for down-ballot contests. ‘I think everything's got to be on the table,’ Erie County GOP chairman Nick Langworthy said.

Thus far, the stories about the GOP ticket are the names not on the table. First it was Harry Wilson, the business adviser from Westchester, who was regarded as the party's best horse in no small part because he was willing to put up \$10 million of his own money. (Cuomo, next week, is expected to declare he has about \$30 million.) Then Dutchess County Executive Marc Molinaro, too, waved off last week. Even as New York Republicans rise in Washington - there's Donald Trump, and people like Rep. Chris Collins of suburban Buffalo who are grabbing onto his star - they're struggling in New York.

‘The truth of the matter is, it's very late,’ said strategist Susan Del Percio. ‘Anyone who is interested, unless they're extremely well-funded, needed to start running a year ago to raise money, get their name out there and raise awareness. And in this current environment, having President Trump in charge will scare away a lot of people - just look at the county executive races in Westchester and Nassau counties.’

**We'll see if Cox**, by this afternoon, will have some news and some names.” (bold in original).

It plainly appears from this, from news articles, and from Harry Wilson's January 1<sup>st</sup> Facebook post, announcing his decision not to run for governor – and his reasons why -- that you and the State Republican Party you lead are unaware of my below September 20, 2017 e-mail to Mr. Wilson, detailing how EASILY Cuomo and his fellow democratic statewide incumbents, Attorney General Schneiderman and Comptroller DiNapoli, can be defeated – and at NO COST – and that

two candidates that the Republican Party should NOT be considering are Assembly Minority Leader Brian Kolb and Senate Deputy Minority Leader John DiFrancisco. Did Mr. Wilson NOT share it with you – and discuss what steps he took to verify its accuracy?

For immediate purposes – and so that you can understand how easy it was for Mr. Wilson to verify the TRUTH of my September 20<sup>th</sup> e-mail to him -- here's the link to the webpage of my testimony before Senator DiFrancisco at the Legislature's February 6, 2013 budget hearing, calling upon him to secure from Governor Cuomo, from Attorney General Schneiderman, and from Comptroller DiNapoli, among others, their findings of fact and conclusions of law with respect to the October 27, 2011 opposition report I handed up to him: <http://www.judgewatch.org/web-pages/elections/2017/feb-6-2013-testimony-evidence.htm>. And what were Senator DiFrancisco's findings of fact and conclusions of law, with respect thereto – and Assembly Leader Kolb's, whose knowledge of the October 27, 2011 opposition report preceded Senator DiFrancisco's. You are a lawyer – and such findings of fact and conclusions of law as you yourself can readily make should suffice for you to recognize that the public officers involved – from Governor Cuomo on down – must be indicted for corruption whose cost, with respect to the statutorily-violative, fraudulent, and unconstitutional judicial and district attorney salary increases that were the subject of the October 27, 2011 opposition report, has been, to date, approximately \$300 million dollars, stolen from the taxpayers – a figure that presently increases by about \$60 million each year.

I have called Mr. Wilson's office this morning (914-623-8211), asking whether he shared my September 20<sup>th</sup> e-mail with you and what steps he took to verify its truth. The message I left was with his assistant Elena Milano, who confirmed for me – as she had previously – that she had furnished my September 20<sup>th</sup> e-mail to Mr. Wilson. I told her that I would now send the September 20<sup>th</sup> e-mail on to you and would cc her on the transmittal so that she could forward it on to Mr. Wilson for response.

Following that call, I telephoned the Albany headquarters of the State Republican Party (518-462-2601), gave a brief message to your administrative assistant, Deborah Smith, who assured me that she would forward this e-mail on to you, without delay.

I am available to speak with you directly – and to assist you, to the max, in securing what I believed Mr. Wilson was well-positioned to achieve: a “constitutionally-functioning, fiscally-accountable government to New York State”.

For the convenience of all, including the press to whom I will be forwarding this e-mail, the e-mail will be posted on the webpage I had created, but not publicized, for Mr. Wilson's candidacy, accessible from the Center for Judicial Accountability's prominent homepage link: **“OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office in 2017, 2018, & Beyond – WITH EVIDENCE”**. Thank you.

**Subject:** Winning the Governor's Race -- & Bringing Constitutionally-Functioning, Fiscally-Accountable Government to New York State

**TO: Harry Wilson/Potential Candidate for New York State Governor –**

This follows up my phone conversation earlier this afternoon with your assistant, Elena Milano, thanking you for your civic activism and willingness to undertake a public contest to be New York's next governor, facing off, most probably, against incumbent Governor Andrew Cuomo. We need someone like you, with the independence, born of substantial financial means, to clean up the boundless corruption that pervades all three branches of New York State government, in which BOTH parties – Democratic and Republican – are utterly collusive and whose gushing source and motivator is the 160-plus billion-dollar slush-fund New York State budget.

News reports indicate that you are willing to devote substantial amounts of your own money to fund your gubernatorial campaign. That is not necessary. All you need to catapult yourself as a candidate – indeed, a WINNING candidate – and galvanize support from voters of all political parties -- is to use the bully-pulpit that is your name recognition, most importantly, as the formidable 2010 Republican candidate against incumbent Democratic state comptroller Thomas DiNapoli, to expose the “grand larceny of the public fisc” in which Governor Cuomo, Comptroller DiNapoli, and their fellow Democratic and Republican public officers at the highest levels of New York's government have been engaged. This is EASY to do as they are ALL defendants in an unfolding citizen-taxpayer action whose ten causes of action particularize their FLAGRANT violations of the New York State Constitution, statutory law, caselaw, and legislative rules with respect to the legislative budget, the judiciary budget, and the executive budget. This includes the UNCONSTITUTIONALITY of Governor Cuomo's behind-closed-doors, “three-men-in-a-room” budget deal-making – the first lawsuit to ever challenge such perversion of our representative democracy.

The full record of the citizen-taxpayer action, which our non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), brought, in the public interest, on behalf of the People of the State of New York, is posted on our website, [www.judgewatch.org](http://www.judgewatch.org), accessible via the prominent homepage link: “**CJA's Citizen-Taxpayer Actions to END NYS' Corrupt Budget 'Process' and Unconstitutional 'Three Men in a Room' Governance**”. I showed the link to your assistant Elena, as likewise, the link entitled “**OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office in 2017, 2018, & Beyond – WITH EVIDENCE**”.

The EVIDENCE that brings down incumbent Governor Cuomo, incumbent Comptroller DiNapoli, incumbent Attorney General Schneiderman, and ALL incumbent Senators and Assembly members running for re-election next year – and does so in one fell swoop -- is CJA's citizen-taxpayer action, suing them for corruption. This, of course, includes the state legislators whose names have surfaced, with yours, as possible Republican contenders for governor – Senate Deputy Majority Leader John DiFrancisco and Assembly Minority Leader Brian Kolb – whose corruption, in office, I can attest-to from many, many years of direct interaction with each, including as reflected in a mountain of documentary PROOF, which I can readily furnish, over and beyond what is embodied in the citizen-taxpayer record.

As another name that has bobbed up as a possible Republican contender against Governor Cuomo is Westchester County Executive Rob Astorino, who lost to Governor Cuomo in 2014 and now facing a substantial re-election challenge as county executive from Senator George Latimer, I recommend that you begin your reading of the odyssey that is CJA's citizen-taxpayer action by the summary of it presented by my attached August 10, 2017 OPEN LETTER to Reform Party Chair Curtis Sliwa about Senator Latimer's record, in office. As you can see from the below e-mail, it was transmitted to the Reform Party and to New York's seven other recognized political parties – the Republican Party, among them – and also sent to County Executive Astorino. All the substantiating proof to the August 10<sup>th</sup> OPEN LETTER, including my January 2014 correspondence to County Executive Astorino, which could have WON him the governor's race against Cuomo in the November 2014 elections– and, for the Republican ticket, an electoral sweep – is posted on CJA's webpage for the OPEN LETTER. The direct link is here: <http://www.judgewatch.org/web-pages/elections/2017/8-10-17-open-ltr.htm>.

I am available to assist you – and such lawyers and constitutional scholars as you assign to reviewing the citizen-taxpayer record, on your behalf – including by furnishing “hard copies” to facilitate review. As I am only a couple of blocks from your White Plains office, it would be especially easy for me to meet with you – and I would be most pleased to do so and to discuss the extraordinary opportunity you have to “fix the broken organization” that is New York State.

With appreciation and patriotism,

**Subject: OPEN LETTER: The NYS Reform Part of Curtis Sliwa MUST Rescind its Endorsement of, & Party Line to, Senator Geo. Latimer for Westchester Co. Executive & the Other Parties Must Follow Suit -- Unless They Deem Corruption in Office a Qualification**

Attached is the Center for Judicial Accountability's OPEN LETTER of today's date entitled "**The NYS Reform Party of Curtis Sliwa MUST Rescind its Endorsement of, & Party Line to, Senator George Latimer for Westchester County Executive & the Other Parties Must Follow Suit – Unless they Deem Corruption in Office a Qualification**", herewith sent to ALL eight recognized political parties and to the three candidates seeking election/re-election to the office of Westchester County Executive: Messrs. Latimer, Astorino, and Jenkins.

The OPEN LETTER is already posted on CJA's website, [www.judgewatch.org](http://www.judgewatch.org), accessible *via* the prominent link "**OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office in 2017, 2018, & Beyond – WITH EVIDENCE**". The direct link to the webpage for the letter, which also furnishes THE EVIDENCE on which it is based, is here:

I am available to answer questions, under oath, and to assist you to the max, toward what should be our common goal of open, honest, fiscally-responsible, responsive, and accountable government, such as we do NOT remotely have on the state level... You can change that!

Thank you.
