Thank you for your military service -- and your civic patriotism in running for governor. I can help you win. You do NOT need money. All you need to defeat CUOMO is a scandal -- and this I can furnish you, "on a silver platter".

Cuomo is the first named defendant in a major lawsuit -- a citizen-taxpayer action, brought in the public interest, on behalf of the People of the State of New York, by our non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA). The lawsuit chronicles Cuomo's corruption and "grand larceny of the public fisc" involving the \$160 billion state budget -- the genesis of which are fraudulent judicial and district attorney pay raises, which, since 2012, have stolen from New York taxpayers about \$300 million.

The lawsuit is political dynamite -- and its significance is summarized in an email that I sent today to GOP Chairman Ed Cox, embracing an e-mail I had sent on September 20th to potential GOP gubernatorial candidate Harry Wilson. It is posted on our website, [www.judgewatch.org](http://www.judgewatch.org), accessible via the prominent homepage link "OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their road to re-election & higher office...WITH EVIDENCE!". Here it is, directly: <http://www.judgewatch.org/web-pages/elections/challengers/harry-wilson.htm>.

I am available to assist you -- and to work with you to build a strong team of challengers to take on -- and defeat -- Attorney General Schneiderman, Comptroller DiNapoli, and legislative incumbents -- all co-defendants with Cuomo in the lawsuit, who go down with him.

Thank you.
