Subject: You can win, easily & without money, NY's 38th Senate seat. All it takes is "whistle-blowing"

Dear Candidate Weinberg,

I received no response to my February 13th phone message and e-mail – perhaps because I mistakenly believed that you would be facing off against Senator Carlucci. I did not then know that Senator Carlucci is not running for re-election to NY's 38th Senate seat, but instead is seeking election to Congress from NY's 17th congressional district.

This is to advise that you can win your Republican primary – and the general election – if you use the bully-pulpit of your candidacy to "whistle-blow" about how the Legislature has been functioning. Please call me for details – and the EVIDENCE that backs it up, accessible from CJA's website, www.judgewatch.org.

On the assumption that you are not yet familiar with Article VII, §§1-7 of the New York State Constitution pertaining to the fashioning and enactment of the state budget, here it is: <https://codes.findlaw.com/ny/constitution-of-the-state-of-new-york/#!tid=N9A526E8102AB49058F336F851D9B3DA7>. I'd like to begin our conversation by discussing it.

I look forward to hearing from you soon. Indeed, there is much I wish to show you about the Legislature's own budget.

Thank you.
