Dear Candidate Terranova,

I am director & co-founder of the non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), based in White Plains, New York.

You can win your Democratic primary for New York's 12th Senate seat against Senator Michael Gianaris easily and without money – and the general election. He has corrupted his office and our state government – and I have a mountain of EVIDENCE to prove that he must be indicted – and that he will be convicted. This includes for his larceny pertaining to his OWN legislative salary and the Legislature's OWN budget. Please call me for details – and the substantiating proof, accessible from CJA's website, www.judgewatch.org.

I look forward to hearing from you soon.

Thank you.
