Dear Candidate Salmon,

How disappointing to have received no response from you to my below May 21st e-mail pertaining to your main Democratic rival, Assemblywoman Wright. As stated, "You can win your Democratic primary for New York's 25th Senate seat, easily and without money – and the general election. All it takes is 'whistle-blowing' from the bully-pulpit of your candidacy."

To prove it – and to further assist you – attached is the corruption/grand jury complaint against Assemblywoman Wright that I filed with Brooklyn District Attorney Gonzalez on June 9th, establishing that she cannot be elected to the 25th Senate seat as she must be indicted – and will be convicted ALL the substantiating EVIDENCE to which it refers is posted on CJA's webpage for the complaint, here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

Why not use the bully-pulpit of your candidacy to demand that Assemblywoman Wright respond to the complaint, to call upon District Attorney Gonzalez to expedite his time-table for investigation & grand jury inquiry & indictments – and to furnish it all to the press. It takes no money for you to do this – and a relatively minimal expenditure of time.

I would be pleased to speak with you about such strategy – and to answer your substantive questions.

Thank you.
