Subject: GOOD NEWS! -- You can EASILY defeat Assemblyman Santabarbara -- & demonstrate your fitness for public service

TO: 111th Assembly District Candidate Paul Delorenzo (R)

I can help you win! Assemblyman Santabarbara cannot be re-elected because he must be indicted -- and will be convicted -- for fraud, larceny, and other corruption pertaining to his OWN legislative salary and the Legislature's OWN budget, on EVIDENCE that is *prima facie* and open-and-shut.

As the 111th Assembly District embraces all of Montgomery County and parts of Albany and Schenectady Counties, I filed materially-identical, FULLY-DOCUMENTED public corruption/grand jury complaints against Assemblyman Santabarbara with the district attorneys of all three counties, which all three are "sitting on".

I have already sent you e-mails with the Albany and Schenectady County complaints. They and the Montgomery County complaint are posted on this webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/da-complaints-to-soares-plus-61-more.htm>. The substantiating evidentiary webpage is here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

If you make the complaints your campaign issue, you will win – EASILY and without money. As a candidate, you have a "bully pulpit". Stand up for honest and accountable government: publicly call on Assemblyman Santabarbara to respond to the complaints – which I furnished him-- publicly call upon the three district attorneys to explain why they have not presented the complaints to the grand juries of their counties, and publicly call upon the press to do its part and investigate and report. Also announce, publicly, that, if elected, you will not take the \$30,500 pay-raise procured through the December 10, 2018 report of the Committee on Legislative and Executive Compensation, because the report is a "false instrument", violative of penal laws – and publicly commit that you will ensure: (1) public findings of fact and conclusions of law with respect to the complaints; (2) prosecution of all culpable public officers and their conspirators; and (3) "claw-backs" to recover the approximately half a billion dollars in fraudulent salary increases, already paid out.

I am available to answer your questions – and to provide you with further information and documents.

Thank you.
