Subject: GOOD NEWS! -- You can EASILY defeat Assemblywoman Woerner -- & demonstrate your fitness for public service

TO: 113th Assembly District Candidate David Catalfamo (R, C)

I can help you win! Assemblywoman Woerner cannot be re-elected because she must be indicted -- and will be convicted -- for fraud, larceny, and other corruption pertaining to her OWN legislative salary and the Legislature's OWN budget, on EVIDENCE that is *prima facie* and open-and-shut.

As the 113th Assembly District embraces parts of Saratoga and Washington Counties, I filed materially-identical, FULLY-DOCUMENTED public corruption/grand jury complaints against Assemblywoman Woerner with the district attorneys of both counties, which both are "sitting on".

I have already sent you e-mails with those complaints. They are also posted on this webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/da-complaints-to-soares-plus-61-more.htm>. The substantiating evidentiary webpage is here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

If you make the complaints your campaign issue, you will win – EASILY and without money. As a candidate, you have a "bully pulpit". Stand up for honest and accountable government: publicly call on Assemblywoman Woerner to respond to the complaints – which I furnished her-- publicly call upon the two district attorneys to explain why they have not presented the complaints to the grand juries of their counties, and publicly call upon the press to do its part and investigate and report. Also announce, publicly, that, if elected, you will not take the \$30,500 pay-raise procured through the December 10, 2018 report of the Committee on Legislative and Executive Compensation, because the report is a "false instrument", violative of penal laws – and publicly commit that you will ensure: (1) public findings of fact and conclusions of law with respect to the complaints; (2) prosecution of all culpable public officers and their conspirators; and (3) "claw-backs" to recover the approximately half a billion dollars in fraudulent salary increases, already paid out.

I am available to answer your questions – and to provide you with further details and documents.

Thank you.
