"Andrew, you can win, easily & without \$, by using the bully-pulpit of your candidacy to 'whistle-blow' on the corruption of NYS governance, including by Hochul, involving pay raises & the state budget -- the subject of a mountain of FULLY-DOCUMENTED complaints that NYS' ethics & criminal authorities are 'sitting on'. I tried to alert former President Trump to the situation, last year -- & the webpage I created for my June 4, 2021 message to him is here: <https://www.judgewatch.org/web-pages/searching-nys/district-attorneys/june-4-2021-message-to-trump.htm>. I received no response -- including to my subsequent alert to him, by a PS-2, that I could help your father in challenging the Appellate Division, 1st Dept's interim suspension of his law license, procured through its Attorney Disciplinary Committee. Andrew, you have an important role to play, on behalf of ALL NY's citizens, in 'draining the swamp' of corruption that NY's election-rigging, "fake news" press has covered up, for years.
