Subject: **You can win, easily & without \$, NY's 31st Senate seat. All it takes is "whistle-blowing" about Senator Jackson's corruption, in office**

TO: Candidate Angel Vasquez

I am director & co-founder of the non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), based in White Plains, New York.

Thank you for challenging Senator Jackson in the upcoming primary. You can easily defeat him -- and without money. All it takes is "whistle-blowing" about his corruption, in office, destroying constitutional governance – and involving his massive larceny of taxpayer monies, *via* a "slush fund" state budget that is "off the constitutional rails" and embeds fraudulent, statutorily-violative, and unconstitutional pay raises for himself and his fellow constitutional officers. This has been the subject of fully-documented complaints that CJA has filed with criminal and ethics authorities, who have been "sitting on" them. This includes former Manhattan District Attorney Vance who "sat on" a [June 9, 2020 grand jury/public corruption complaint against Senator Jackson](#) and JCOPE which "sat on" a [March 5, 2021 ethics complaint](#).

Since then, Senator Jackson, *et al.* have brazenly replicated and continued their public corruption. Indeed, into this year's state budget, they also unconstitutionally and by fraud inserted a new law which, under the guise of "reform", insulates themselves from meritorious ethics complaints by stripping the public of rights enforceable by mandamus. The particulars are laid out in a major lawsuit that CJA commenced in June – and the electronic docket is [here](#).

If you use the "bully-pulpit" of your candidacy to call a press conference and courageously demand answers from Senator Jackson, you will powerfully demonstrate to voters that you stand for honest, accountable, lawful governance and are worthy of the public office you seek. To the "whistle-blower" belongs the prize.

I am available to assist you to the max, no matter how early or late – and on the weekend.

Thank you.
