My dearest Children

I am so fermisht that I don't remember if and what I wrote to you.

~~Since~~ From the time I received the telegram I am just not myself. I keep imagining how you look how you act. Is the baby fair or dark like George was. So you nurse her how you feel. I'll have to wait a long time to get all these reports.

I hope you will write to me care of SS Queen Mary to Helen Sassower passenger Sherburnh France. ~~This~~ sailing 5/31 56.

You remember the time I wrote to you about the little girl George came with and it was raining. That was before I knew you were pregnant, but I don't quite remember what she looked like. That she is beautiful I have no doubt. God grant you all three good health good luck ~~and~~ all the best this world has to offer.

I spend all morning trying to wire flowers but did
