

Opening

Dear Mommy,

How are you Judy, Hank, Laurie, Jeff, and Jill? I am fine. Do you enjoy Switzerland? Have a nice time!

About Us

Daddy, Mary, and Elena are very good, sweet, kind, and nice to me! Daddy just mailed the check so I can get books 1 & 2 of Batman!

About Grandma Helen

Yesterday Grandma Helen took Elena, Mary, and me to the beach. We all got sunburn. We had to move 6 times because the tide came in very high. We enjoyed ourselves!

About Grandma Rose

Grandma Rose invited us to her hotel to come in the pool. It is very hot here so we might come on a cooler day! She feels well!

Weather Report

It is very hot here. This very second the temperature is 86 degrees. Yesterday it was 101 degrees. Yesterday night the air-conditioner didn't work and it was so hot that Daddy took his bed mattress and put it down in front of the dinning room fan and that's how we slept. Before that we were going to sleep on the dinning room table but Daddy said it was too dangerous. I told you before it was going to rain but it didn't so its very hot! Is it hot here so we might come on a cooler day!
