ND APPLY PRESSURE TO SEAL

July 12, 1966

Dear Mom,

How are you Hank, Judy,
Laurie, Jeff and Jill? I am
fine. How do you like Switzerland?
Are you enjoying yourself?
Have a nice time!

Many, Daddy and Elena
are, very nice and kind to
me.

Larry is feeling better
so tomorrow we might go
to the beach.

It has been very hot
this past week and is expected
to be very hot the next few days
and tomorrow night we might have
some rain. Right this second the
temperature is 96 degrees!

Love and very, very, very, many, many, many, many, many,

ig, big, big, big, big, big, big, gigantic, gigantic, gigantic, gigantic, gigantic, gigantic,
gigantic, gigantic, tremendous, tremendous, tremendous, tremendous, tremendous,
tremendous, tremendous, tremendous, tremendous, TREMENDOUS,
HUGS AND KISSES WHO ELSE BUT
