The Criminal Racketeering Adventures of
U.S. Chief District Court Judge
CHARLES L. BRIEANT

1. Newsday, in reporting on Nov. 25 and Dec. 1, 1988, that U.S. Chief U.S. District Court Judge Charles L. Brieant was engaged in "disguised nepotism" with Presiding Justice Francis T. Murphy, touched only the tip of the iceberg. Nevertheless, that fact alone mandates their prompt removal from judicial office and recovery by the federal and state governments of the salaries paid to each others son.

In Spector v. State Comm. on Judicial Conduct (47 N.Y.2d 462, 466, 418 N.Y.S.2d 565, 566), a proceeding of more than a decade ago, wherein Presiding Justice Murphy was the prime moving judicial agitator, the Court stated:

"First, nepotism is to be condemned, and disguised nepotism imports an additional component of evil because, implicitly conceding that evident nepotism would be unacceptable, the actor seeks to conceal what he is really accomplishing. ... [E]ven if it cannot be said that there is proof of the fact of disguised nepotism, an appearance of such impropriety is no less to be condemned than is the impropriety itself."

2. In every American jurisdiction, a court-appointed receiver must render a public 'accounting' of his stewardship to insure that a proper disposition was made of the judicial trust assets. In New York, such 'accounting' must be rendered "at least once a year".

Any true 'accounting' for Puccini Clothes, Ltd. -- 'the judicial fortune cookie' -- involuntarily dissolved ten (10) years ago -- will irresistibly compel the conclusion that the 'Murphy-Brieant cronies' are engaged in a criminal racketeering adventure wherein they made all of Puccini's judicial trust assets the subject of massive larceny and plundering, leaving absolutely nothing for the legitimate creditors and stockholders.

There are those judges who believe that judicial trust assets in estates, trusts, or arising out of bankruptcy or receivership proceedings, are carrion whose prime purpose is to satisfy their own insatiable monetary appetites and those of their cronies.

Since, by law, there should be at least ten (10) publicly filed 'accountings' for Puccini, demand is made that Chief Judge Brieant and/or Presiding Justice Murphy produce one such accountings, so that you -- the taxpaying citizen -- can determine whether they are honest or simply "crooks in black robes".

3. Having made all of Puccini's judicial trust assets the subject of massive larceny and plundering, the 'Murphy-Brieant cronies' obtained trialless, manifestly unconstitutional, convictions against those who resisted such criminal activities, with fines and terms of incarceration imposed thereon.

However, for the payment of substantial monies to the 'Murphy-Brieant indulgence peddlers', continuing such never ending payments, and agreeing to a code of silence, incarceration could be delayed indefinitely and/or even avoided.

Thus, Hyman Raffe, a major Puccini stockholder and creditor, in exchange for not being incarcerated under trialess convictions, privately paid to the 'Murphy-Brieant cronies', "more than \$2.5 millions" according to confirmed media reports (e.g., Village Voice, June 6, 1989; New Jersey Law Journal, July 13, 1989; Ottawa Illinois Daily Times, June 17, 1989; Hibbing, Minn., Daily Tribune, June 18, 1989) -- and is still paying. As long as Raffe pays, he will not be incarcerated, according to the written agreement.

As Raffe bitterly uttered in a White Plains restaurant, near the Brieant Federal Courthouse, "they are bleeding me to death".

Those who refuse to pay these 'Murphy-Brieant indulgence peddlers', or remain silent about this and similar judicial rackets, are repeatedly incarcerated at taxpayers expense.

4. Even when the imposed fines and penalties, under trialess convictions, were made payable, in haec verba, "to the [federal] court", the monies were diverted to the private pockets of the 'Murphy-Brieant cronies', and the federal government received nothing.

5. The case of Mr. Dennis F. Vilella, reveals the extent these racketeers will employ the judicial process in order to compel submission.

'Vilella-The Hostage', a college graduate, married with two small children, and a civic leader in his community, was convicted and has been incarcerated for almost three (3) years, of a potential maximum twenty-five (25) year term, for crimes that never occurred, as shall be demonstrated.

Mr. Vilella was indicted and convicted of attempted murder in the second degree and assault in the first degree with a "tire iron".

The entire uncorroborated testimony of Lady Rasputin as to the event (Exhibit "A"), and the negative X-Ray and Cat-Scan hospital reports (Exhibits "B-1" and "B-2") are annexed hereto.

Additionally, the hospital "Trauma Assessment Record", also made the same day Lady Rasputin was admitted, reveals normal pupils, normal leg and hand reactions and movements, and the highest possible non-coma score.

The hospital consultation report states:

"coherent ... no overt thinking disorder. She is cooperative and fairly verbal. No auditory trouble ..., no delusions. ... Sensories intact. Short term memory good. ... Insight good."

In securing such indictment and conviction the prosecutor concealed from the grand and petit jury the hospital record, including the aforementioned reports. Such deliberate concealment was affirmatively aided and abetted by the 'fixed' trial judge.

Obviously, no jury would have convicted Mr. Vilella of this vicious and repeated "tire iron" assault to the head of Lady Rasputin, had they seen such hospital record or truthfully informed of its contents.

The 'Murphy-Brieant indulgence peddlers', and their co-conspirators, judicial and otherwise, are depraved and demented when they attempt to compel my submission and silence by such incarcerations.

Demand from Judge Brieant and/or Justice Murphy a copy of an 'accounting' for the judicial trust assets of Puccini, and you will conclude for yourself that they are corrupt 'fixers' and that the judicial tribunals under their control, federal and state, are "Unfit for Human Litigation".

In the name of God, they must go!

White Plains, N.Y., January 16, 1990

The uncorroborated trial testimony of Theresa Nappi [Lady Rasputin] was as follows:

Direct:

"Q What did he hit you with?
A A tire iron.
Q How many times did he hit you?
A About eight or twelve.
Q What parts of your body did the
blows land?
A My head and my hands, protecting
myself. [SM-91] ...
Q Please continue.
A And then he hit me some more.
Q What did he hit you with?
A The tire iron.
Q Back in the van again?
A Yes.
Q How many times did he hit you the
second time?
A About six or seven. [SM-92]
Q What were your injuries?
A I sustained six skull fractures.
..." [SM-93]

Ms. Nappi's testimony on cross-examination, conducted by Vilella, a pro se defendant, reads as follows:

"Q Mrs. Nappi, you testified that I hit you in the van approximately eight to ten times or six to ten times?
A About that. [SM-98] ...
Q Mrs. Nappi, you were hit, you said, again six to ten times in the van?
A I said anywhere from eight to twelve times.
Q Eight to twelve times in the van? you opened the door and ran out? How far did you run?
A Not too far.... I saw a car coming and I screamed for help, but you came behind me and dragged me back in the van.

Exhibit "A"

Q Would you say you're a strong person?

A I do, but not when you're hit twelve times in the head with a tire iron when you're not expecting it. [SM-101]

Q ... You say somewhere in the Grand [Jury] Minutes I covered your mouth.

A You hit me from behind in the van and you kept hitting me and hitting me and then I somehow got out of the van and I screamed, and I couldn't do anything. You came behind me and dragged me back. I couldn't fight you. I wasn't expecting you to hit me. ... When you're hit like that and you don't know what's coming, you can't do anything. You don't have the strength to do anything, not the way you were hitting me.

Q Would you describe to the Court how it was that I was hitting you?

A Violently with everything you had to hit me.

Q Could you show us, please? [SM-103]

A Show you? You took the thing and hit me.

Q Which way? Just go through the motions.

A I didn't see the first hit because I was under the blanket, but I saw afterwards because I protected myself from it.

Q Show us the second hit.

A You stood over me and hit me like this (indicating)

Q With the tire iron?

A With the tire iron that looks similar to that.

THE COURT: For the purpose of the record, did he raise his hand up over his head with the tire iron?

THE WITNESS: No, not all the way down over his head. ...

THE COURT; ... So he raised his hand halfway up to the head and struck down with the tire iron?

THE WITNESS: Right. ...

Q Were they tapping motions or you say violent?

A Violent." [SM-103-4]
