The Criminal ^{914,949-2169} Activities of
Chief U.S. Circuit Court of Appeals Judge
JON O. NEWMAN et el.

and
THE NEW YORK TIMES.

Anyone, without cost or expense, can independently verify most of the essential allegations contained in Part I, by Freedom of Information Law/Act requests, as follows, to:

1. DENNIS C. VACCO, NY State Attorney General, Freedom of Information Request, The Capitol, Albany, NY 12224: (i) verification that the "final accounting" for PUCCINI CLOTHES, LTD. does not exist; (ii) the most senior official(s) in the NY State Attorney General's Office who consented to the "approval" by Referee DONALD DIAMOND of a "final accounting" that did not exist, and who did not have the authority to approve same, even if it existed; (iii) the most senior official(s) in the NY State Attorney General's Office who made the determination not to give obedience to the mandatory "duty" contained in NY Bus. Corp. Law §1216[a], and not make any application to compel Puccini's court-appointed receiver to file his final accounting; and (iv) the most senior official(s) in the NY State Attorney General's Office who authorized state representation, at state cost and expense, of state judges and officials, in money damage actions in the federal courts in the cases revolving around Puccini Clothes, Ltd., the Kelly Estate, and Dennis F. Vilella?

2. JANET RENO, Attorney General of the United States, Freedom of Information Request, Tenth Street & Constitution Avenue, Washington, D.C. 20530: The most senior official(s) in the Department of Justice: (i) who authorized federal representation, at federal cost and expense, of federal judges and officials in tort money damage litigation, revolving around Puccini Clothes, Ltd., the Kelly Estate, and Dennis F. Vilella, although there were no 28 U.S.C. §2679[d] "scope" certificates or 28 U.S.C. §2675[a] "notice of claims"; and (ii) who refused to support motions to recapture monies payable "to the federal court" but diverted to the coffers of Citibank, N.A. or take any other remedial action to recapture such monies in favor of the federal court/government?

The responses will confirm "bribe" money transactions by Citibank, N.A., at the staggering, unauthorized and illegal cost and expense of governmental funds.

Over Please

The response will also verify that the "legal notice" published in the New York Times is fraudulent since, inter alia, the "final accounting" described therein does not exist, as the New York Times actually has known for almost a decade, but has refused to repudiate or correct, since it will reveal that the judicial trust assets of Puccini were all made the subject of larceny engineered by Citibank, with millions of dollars employed in order to bribe and corrupt.

Even a superficial investigation will reveal that all involuntarily dissolved corporations in Manhattan, during the past twenty (20) years, under the stewardship of Presiding Justice FRANCIS T. MURPHY have been unlawfully plundered, to satisfy the personal obligations and desires of jurists and/or their bagmen/cronies.

During the past decade, Presiding Justice Murphy has corrupted every NY State Attorney General, the statutory fiduciary of all involuntarily dissolved corporations, so that the status quo ante of the WILLIAM MARCY ["Boss"] TWEED era could be restored.

You, the public, are paying to support these Murphy criminal operations, as the public paid for the "Boss" Tweed criminal activities, one hundred years ago.

Part II - "The Turkey Shoot" to be distributed January 30, 1997, contains many names and many decisive documents. Send self-addressed stamped (\$.55) envelope for a free copy.
