LAW LIBRARIAN-PLEASE POST: REAL PRIZES FOR LAW STUDENTS:

MY MOTHER OFFERS \$1,500 PRIZE FOR A LEGAL ANSWER
(HER SON, A PRACTICING ATTORNEY FOR 37 YEARS, DOES NOT KNOW ONE)

1a. I have been convicted, sentenced, and incarcerated three (3) times within one (1) year, without a trial, for non-summary criminal contempt.

b. Non-summary criminal contempt comes under the protective umbrella of the XIV Amendment of the U.S. Constitution (Bloom v. Illinois, 391 U.S. 194).

c. Absent a plea of guilty, as a matter of ministerial compulsion, no american judge has the power to convict, sentence, and incarcerate, without a trial, for any crime, protected by the federal constitution. To the extent that summary criminal contempt may be an exception, it is an exception more in form than substance, in any event, summary criminal contempt is not involved in my case!

2a. The fact is that the Appellate Division, First Department, under Presiding Justice FRANCIS T. MURPHY, and the New York County Supreme County, under Administrator XAVIER C. RICCOBONO, are simply "cesspools of corruption", and because I hold the documented evidence of same, I contend this is not a legal reason for repeatedly incarcerating me, without a trial, and so I tell them and my mother!

b. To make the matter more egregious, I have been resoundingly vindicated or have obtained results other than guilty, about twenty (20) times, by jurists not completely controlled by Administrator XAVIER C. RICCOBONO, each time "double jeopardy" prohibitions are triggered.

c. Additionally, the above courts will not permit me to have a trial or hearing on my claim of "invidious and selective discrimination" which I can easily prove.

d. Ironically, my self-styled prosecutors are adversary counsel who I have caught engaged in the massive larceny of judicial trust assets, perjury, criminal extortion, and corruption!

e. Consequently, I go to jail, without a trial, while the "criminals with law degrees", the firms of KREINDLER & RELKIN, P.C. and FELTMAN, KARESH, MAJOR & FARBMAN, Esqs., have the proceeds of larceny from judicial trust assets!

3. Justify it legally to my mother, and she will give you \$1,500 (Prizes shared if more than one can answer)!
