RE: File 1035

Dear Mr. Sassower:

At its meeting on December 20, 1978, the Committee was advised that on several occasions you have questioned the propriety of certain judicial conduct in connection with the above matter.

The Committee has no jurisdiction to investigate the conduct of judges.

If you wish to file a complaint against a judicial officer, the appropriate agency is the State Commission on Judicial Conduct located at 801 2nd Avenue, New York, NY 10017.

Very truly yours,

Frank H. Connelly, Jr.
