Re: Surrogate Ernest L. Signorelli

Dear Mr. Stern,

In response to your letter of June 25, 1982, I would appreciate it if you would consider my affidavit to the Appellate Division : First Department as a complaint.

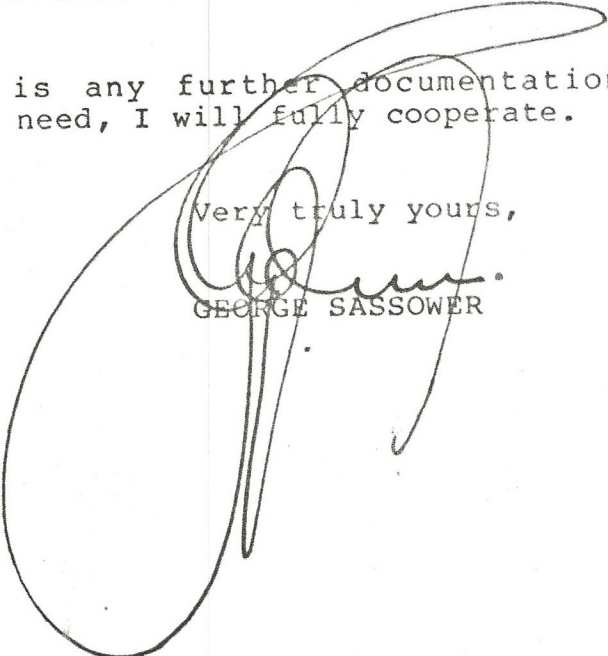

That affidavit should not be considered as an exclusive list of misconduct complaints that I have against Surrogate Signorelli, but only such as was germane to that proceeding.

As the affidavit reveals my complaints of misconduct are fully documented.

If there is any question regarding the veracity of same I refer you to Richard Grayson, Esq., Counsel to the Grievance Committee, Ninth Judicial District.

If there is any further documentation or information that you need, I will fully cooperate.

Very truly yours,

GEORGE SASSOWER
