Gentlemen:

I wish to file a complaint against Michael A. Gentile, Esq., with respect to the handling of my several complaints against Kreindler & Relkin, P.C., Feltman, Karesh, Major & Farbman, Esqs., and their co-conspirators, who have engaged themselves in the larceny and plundering of judicial trust assets, criminal extortion, and other misconduct.

Such complaint includes Mr. Gentile's participation in concealing and/or destroying complaints against the aforementioned, as is indicated by my letter of even date.

Further specifications will follow.

Very truly yours,

GEORGE SASSOWER
