Re: File No. 94-1019

Dear Mr. Lieberman,

I received this day, your post-marked acknowledgment of April 28, 1994. Could you advise me which attorney that I complained about such number has reference.

Could you also advise me of the Docket Numbers of my other complaints which are still open, and the attorneys involved in such complaints.

Since I have additional documents and information, I desire to correctly identify such material with the correct Docket Number for our mutual convenience.

Very truly yours,

GEORGE SASSOWER
