Dear Mr. Lieberman,

On March 22, 1994, I caused to be sent you separate complaints against the above, which as of this date have not been acknowledged by your office.

Unless I receive such acknowledgment by return mail and an assurance that they are being processed, I will assume that they are being stonewalled by, inter alia, you, Halburton Fales, 2d, Esq., and Presiding Justice Francis T. Murphy, as part of a criminal racketeering enterprise, which includes paying-off and corrupting jurists.

Very truly yours,

GEORGE SASSOWER
