Re: Robert H. Straus, Esq.

Dear Mr. Brownstein,

I received your letter of February 22, 1994, on March 1, 1994, the February 23 postmark indicated a proper mailing. Otherwise stated, the delay was not of your doing. Thanks.

However, my records indicate a complaint made to the Tenth Judicial District on February 8, 1988 (Richard C. Cahn, Esq.), which was neither acknowledged nor processed. My records also reveal a complaint to that District on January 13, 1989 (D.A. Denis Dillon and Robert Rivers, Esq. [since disbarred]) also not acknowledged or processed.

Since the Tenth Judicial District does not respond to my letters, I would appreciate your advise as to why those complaints were not acknowledged or processed.

I would also appreciate your advise as to what happened to my prior complaints against Mr. Straus, which were not acknowledged or processed.

Thank You.

Very truly yours,

GEORGE SASSOWER
