Re: Sassower -v- Appellate Division

Dear Ms. Miller,

With respect to the Joint Appendix in the above matter I expect to reproduce the Judgment, the Endorsed Opinion of the District Court, your notice of motion, and my complaint.

I have examined the transcript in the matter, which was filed on April 16, 1979 and find nothing therein of significant value for appeal purposes.

Please advise as to any additional material you desire to be included in such appendix.

Very truly yours,

GEORGE SASSOWER
