Re: Sassower v. Signorelli
84 Civ 2989

Honorable Sir:

This is to confirm the telephone message from Martin Adler, Esq., on Your Honor's behalf, adjourning the conference from August 14th, 1984 to September 17, 1984.

Because of the long unanticipated delay and interim events, I desire to rethink the feasibility of a written, informal, memorandum on the subject, if Your Honor desires, with of course, copies to my adversary counsel.

May I, Your Honor, communicate with Chambers later this week, as to the Court's desires.

Most Respectfully,

GEORGE SASSOWER

GS/h
