LORETTA A. PRESKA  
CHIEF U.S. DISTRICT JUDGE  
S.D.N.Y.  
December 7, 2012

✓ Chief Judge Loretta A. Preska  
U.S. District Court, Southern District of New York  
500 Pearl Street  
New York, NY 10007  
Re: 84-6272, 87-7135, 92-8515

Dear Chief Judge,

1. The *unopposed* Notice of Settlement, scheduled for December 10, 2012, provides:  
“PLEASE TAKE FURTHER NOTICE that irrespective of the disposition of this application, absent a showing by any Article III federal jurist that the merit dispositions made in (1) *Raffe v. Doe* (619 F. Supp. 891 [SDNY 1985]); (2) *Geo. Sassower v. Sapir* (87 Civ. 7135 [SDNY-CSH][Dec. 10, 1987]), and (3) *Geo. Sassower v. Abrams* (833 F. Supp. 253 [SDNY-1993] is valid, anyone having knowledge of this application is enjoined from asserting the validity of these decisions.”

2. With respect to *each* of the aforesaid three (3) Orders, there was an Application & Motion the thrust of which were that these Orders were “void”. The allegations in all these Applications & motions were all *undenied & uncontroverted* and the relief requested was *unopposed*.

Consequently, the Office of *Pro Se*, which I deem to be under your general control, hijacked, waylaid & did not process these papers!

Very truly yours,

  
GEORGE SASSOWER

cc: Office of Pro Se  
U.S. District Court Judge Charles S. Haight

----- X  
IT APPEARING to the satisfaction of this Court that "*on their face*": (1) *Raffe v. Doe* (619  
F. Supp. 891 [SDNY 1985]); (2) *Geo. Sassower v. Sapir* (87 Civ. 7135 [SDNY-CSH][Dec. 10, 1987]), and  
(3) *Geo. Sassower v. Abrams* (833 F. Supp. 253 [SDNY-1993] that each has "*subject matter jurisdiction*"  
and other lethal infirmities, rendering the merit dispositions made to be "*null & void*"; and it further

APPEARS that neither Chief U.S. District Court Judge, *Loretta A. Preska* for the Southern  
District of New York nor any Article III Federal jurist, trial or appellate, can show that any of the  
aforementioned three (3) actions are valid; and it further

APPEARS that the above money damage tort actions are *only* three (3), of the many, money damage tort actions revolving around the “*The Citibank Bribes for Total Immunity Enterprise*” [“*The Enterprise*”], and they all openly flaunt the fact that they are infected with “*subject matter jurisdictional*” and other lethal infirmities rendering all their merit dispositions to be “*null & void*”; and it further

APPEARS that the judicial scenario pursued in *The Enterprise* was & is to issue “*null & void*” decisions, orders and/or judgements, then denying “access to the courts” or conditioning “access to the court” upon judicial permission, invariably denied, thus “bootstrapping” these decisions, orders and/or judgements into apparent validity, similar to counterfeit currency; and it further

APPEARS that Proposed Orders with Notices of Settlement and Notices of Motion & Supporting Affirmations were made in: (1) *Raffe v. Doe (supra)* on August 20, 2012; (2) in *Geo. Sassower v. Sapir (supra)* on August 28, 2012, and (3) in *Geo. Sassower v. Abrams (supra)* on August 16, 2012; and it further

APPEARS that the thrust of these Proposed Orders and Motions were that the respective Orders of: (1) October 11, 1985; (2) December 10, 1987, and (3) September 8, 1993 are all “*null & void*”; and it further

APPEARS that *none* of the allegations in these Proposed Orders & Motions were *denied* or *controverted* by *anyone*, and the relief requested was *unopposed* by *everyone*; and it further

APPEARS that the aforementioned papers with Proofs of Service: (1) in *Raffe v. Doe (supra)* were mailed to the *Pro Se* Office for “re-assignment” since U.S. District Court Judge *William C. Conner* had died; (2) in *Geo. Sassower v. Sapir (supra)* to U.S. District Court Judge *Charles S. Haight* and (3) to the *Pro Se* Office for “re-assignment” since U.S. District Court Judge *Peter K. Leisure* had retired; and it further

APPEARS that U.S. District Court Judge *Charles S. Haight* forwarded the papers received by him from *Geo. Sassower* to the Office of *Pro Se*; and it further

APPEARS that since to grant any of these applications or motions would be a mortal blow to the "*The Enterprise*", the Office of *Pro Se* "*hijacked*", "*waylaid*" and did not process any of these applications or motions for the purpose of making a merit determination.

Now, on motion of *Geo. Sassower*, Esq., it is

ORDERED that forthwith the Office of *Pro Se* transmit to the Clerk of this Court the papers & correspondence it received in these three (3) matters for "*re-assignment*" to jurists "*randomly selection*", mailing a copy of the transmittal letter to Chief U.S. District Court Judge *Loretta A. Preska* and *Geo. Sassower*, Esq., with copies of all papers received; and it further

ORDERED that irrespective of the disposition of this application, absent a showing by any Article III federal jurist that the merit dispositions made in (1) *Raffe v. Doe* (619 F. Supp. 891 [SDNY 1985]); (2) *Geo. Sassower v. Sapir* (87 Civ. 7135 [SDNY-CSH][Dec. 10, 1987]), and (3) *Geo. Sassower v. Abrams* (833 F. Supp. 253 [SDNY-1993]) is valid, anyone having knowledge of this application is enjoined from asserting the validity of these decisions.

Dated: New York, New York  
December ,2012
