Re: Raffae v. Doe
84 Civ. 6272 (WCC)

Honorable Sir:

On October 22, 1984, I was suddenly hospitalized for four days, for an infection which tremendously elevated my temperature and otherwise physically disabled me.

This is the third time this has happened in the past year, and I was discharged under very strict physical restrictions.

I would therefore request an additional two or three days in order to submit my papers, particularly since I wish to include therein the events which I expect to occur on November 2, 1984.

Respectfully yours,

GEORGE SASSOWER
