Re: Matter of Barr (Feltman v. Sassower)  
Sassower v. Justices

Dear Mr. Sassower:

In response to your letter dated September 23, 1986, enclosed is a revised notification letter in which the inadvertent omission of the title Matter of Barr from the September 17, 1986 notification letter is corrected.

A similar notification letter for Sassower v. Justices was mailed September 19, 1986, and you should have received it by now.

With respect to your inquiry about orders reflecting Judge Hancock's denials of your applications for stays in the above cases, please note that inasmuch as the applications were submitted ex parte to one Judge who denied them, the Clerk's notification letter constitutes the dispositive paper for each application, and no further orders will be issued by the Court upon the applications.

Very truly yours,

*Donald M. Sheraw*
