Honorable Sir:

Before Your Excellency makes any appointment or reappointment to the position of Presiding Justice of the Appellate Division, First Judicial Department, I strongly suggest that Your Excellency obtain the factual material regarding the activities of Presiding Justice Francis T. Murphy from Hon. Sol Wachtler, Hon. G. Oliver Koppell, and others who are aware of same.

Presiding Justice Murphy is directly involved in the larceny and plundering of judicial trusts, convictions and incarcerations without benefit of trial, extortion, and other criminal racketeering activities.

My past and continuing efforts will be to expose such criminal racketeering activities by Francis T. Murphy and others, and as the aforementioned can confirm, I have the evidence at hand to support these accusations.

Most Respectfully,

GEORGE SASSOWER
