Re: George Sassower
M-2-238

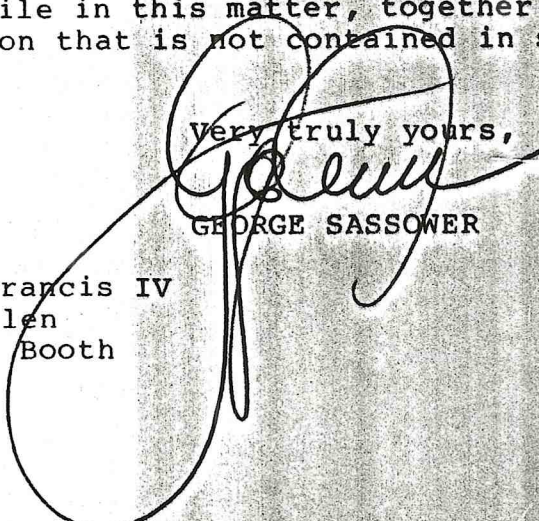

Dear Mr. Straus,

1a. With respect to the above proceeding, you are hereby advised that you will be called as a witness, whose conduct and credibility will be in issue.

b. Thus, while I will not object to the participation of the Grievance Committee in such hearings, I will vehemently object to such representation by you, or anyone else who may be ethically disqualified.

2. You are requested to bring your and the Committee's entire file in this matter, together with such other relevant documentation that is not contained in such file.

Very truly yours,

GEORGE SASSOWER
