1	loving family than to have lost my children
2	and had them alienated in the process.
3	SENATOR SAMPSON: Thank you.
4	MR. ARUTI: And accordingly, and in
5	an opinion by Clarence Thomas, where he was
6	dissenting, I believe it was Troxel versus
7	Granville, where he went so far as to say
8	well, I concur, however the court has not
9	reached the issue as to what level of
10	scrutiny should be applied to these.
11	And he volunteered that he was of the
12	position that this is something that
13	requires strict scrutiny.
14	SENATOR SAMPSON: Got you. Thank you
15	very much, Mr. Aruti.
16	MR. ARUTI: The protections are not
17	there in the Family Court Act.
18	SENATOR SAMPSON: We will work on it.
19	MR. ARUTI: Our children are our
20	future.
21	SENATOR SAMPSON: Terrence Finnan.
22	MR. FINNAN: Here is a copy you might
23	look at it. I have a large number of issues
24	with the court system and the complaints

1	against lawyong. The not going to do it. The
	against lawyers, I'm not going to do it, I'm
2	going to stick it, I have made five
3	complaints to the Commission on Judicial
4	Conduct.
5	Right now I made five complaints to
6	the Commission on Judicial Conduct.
7	Right now I have a number of health
8	problems, my life I've been defibrillated
9	five times, I've had three heart operations,
10	a stroke, and a huge number of other
11	operations.
12	SENATOR SAMPSON: You look pretty
13	good to me, man.
14	MR. FINNAN: Now I'm going to go into
15	my letter to Mr. Tabeckian and he left the
16	room.
17	SENATOR SAMPSON: He's right behind
18	you.
19	MR. FINNAN: It says Dear Mr.
20	Tabeckian and CJ members, please use this
21	opportunity for you based on information
22	provided to preserve your honor and faith.
23	I make you aware of my disability and
24	demand that Mr. Tabeckian not allow this

corrupt Judge Ryan to abuse me because of 1 limitations of my disability. 2 I'm going to skip this part about my 3 4 disability and on the next says Judge Ryan moved up a two week later scheduled court 5 hearing until later in the same morning 6 while I was in intensive cardiac care and 7 notice to me was a call made by his staff to 8 the hospital which did not send calls into 9 cardiac intensive care. 10 Now my question is do you, Mr. 11 Tabeckian, or any of the commission members, 12 think calling up the hospital to move a 13 trial up to later that same morning excuses 14 the resulting ex parte trial? 15 And Mr. Tabeckian, you and each member 16 of the CJI are compelled by law and human 17 decency to stop this unethical judge. 18 I brought this up by motion, the judge 19 says gee, you know, I got notice. He sent I 20 found out that the judge sent a fax to my 21 home then and -- because I don't even have a 22 fax machine, and I am in cardiac intensive 23 care. 24

1	This isn't funny, because I don't want
2	my life destroyed.
3	I have a lot there is \$1 million in
4	assets in this thing, and I don't want to be
5	cheated by a Judge Ryan, and I have multiple
6	other things.
7	Judge
8	SENATOR SAMPSON: When you say
9	where does Judge Ryan is sit?
10	MR. FINNAN: Judge Ryan is an acting
11	Supreme Court Judge, he's a Surrogate Judge
12	and the court is in Essex County, but he
13	sits in Clinton County.
14	SENATOR SAMPSON: He's acting
15	Surrogates Court?
16	MR. FINNAN: Supreme Court Judge.
17	SENATOR SAMPSON: Exact acting
18	Supreme Court Judge.
19	MR. FINNAN: In Essex County, but
20	Surrogate Judge in Clinton County.
21	SENATOR SAMPSON: He's an acting
22	Supreme Court in the Surrogates Court?
23	MR. FINNAN: The court appoints
24	acting Supreme Court Judges to act as
